7) The Superintendent, Govt. Printing, was consulted in the matter and he is of opinion that, for reasons adduced in his letter No 1370, 8 2 8.10.26, the present arrangement of the printing work of all official publications being done at the Govt Press, and of the sales being effected at the Central Book Depot works satisfactorily and that the disturbance of this arrangement does not seem to be conducive to either economy or efficiency.

Read attention is invited to this letter dated 28th October 1926. flagged X.
